

CLIP courses

During the Coronavirus outbreak, a number of courses will be available through distance learning.

Once normality has resumed, our courses will become available again from our centres in Mablethorpe, Market Rasen and Gainsborough.

Our courses are designed to develop skills and knowledge for further learning, work and everyday life.

- Maths, English and ICT
- Vocational Training, Access to Higher Education Diplomas,
- Flare for 16-18s, Career Net into work programme for 15-24s.
- Community Learning courses
- Job club, Healthy Minds group
- Building Better Opportunities

FREE Distance Learning Career Net Programme Summer 2020

Develop New Skills during the Coronavirus Lockdown

Aim of the Career Net Distance Learning programme:

As a generation, we have never experienced a global crisis like the Coronavirus outbreak; it feels like a very lonely world to some of us. We are a very social generation, who enjoy catching up with our friends, travelling and sharing our lives on social media.

During hard times like this, you may feel as though you have absolutely nothing to do and it may seem like this lockdown will last forever, but don't panic, we are here to help you - by maximising your chances of finding a job during and after this unprecedented time and developing your skills to prepare you for employment.

Our programme will help you to become more employable. You may be ready for work now, or want to go onto to college / University. You may not know what you want to do. Wherever you are in your career journey, Career Net is here to help.

What does the programme include?

We tailor the programme to you!

We can cover a wide range of topics including:

- Find out about the most in demand jobs during the Coronavirus Pandemic
- How to improve your employability in the comfort of your own home
- Learn how to prepare for telephone and video conference interviews
- Learn how to find remote / working from home opportunities
- Building an online career presence
- Researching jobs & courses
- Understanding the labour market
- Identifying career choices
- Confidence building
- Target setting and action planning
- Work experience and volunteering
- Applying for childcare/housing

Plus access to additional FREE training and qualifications such as:

Health and Safety, Retail, Food Safety, Childcare, Customer Service, Mental health, Health & Social Care, Warehousing, ICT skills, Personal Exercise and Nutrition... and many more

Who is the course for?

People who are aged 15-24 and who are not in education or training, and are unemployed/unwaged and looking to move into employment now or in the near future.

What will I need to learn?

Because we are currently delivering the programme through distance learning, it would be helpful if you had access to a Laptop, PC or Tablet with camera/speaker function, along with internet access (including email). If you don't have this, then please don't worry, we can work to support you through telephone and paper-based communication.

What you do need is enthusiasm, time and a positive attitude, we can help you with everything else!

How much will it cost?

The course is FREE for people who meet the eligibility criteria above
