

Karen Cassar

Assistant Director for Highways
Lincolnshire County Council

My role is to deliver an effective, sustainable and value for money highways service to the residents and road users of Lincolnshire.

I joined Lincolnshire County Council on 1st July 2019 and am thoroughly enjoying the role and the challenges it brings.

What does the company you work for do?

Lincolnshire County Council is the county council that governs the non-metropolitan county of Lincolnshire in England, less those parts governed by the unitary authorities of North Lincolnshire and North East Lincolnshire. The number of Councillors was reduced from 77 to 70 at the 2017 local election.

Why did you want to become an enterprise adviser?

To share the journey I followed to get to the role I fulfil today which will hopefully inspire others that everything is achievable if you work hard and stay focussed.

What have you achieved with your school so far?

Unfortunately COVID became real and impacted on

every element of my role as an enterprise adviser. Hopefully we can commence working together as we move out of the current lockdown measures.

What are you currently working on with your school?

We are currently working on a plan to move forward following the relaxation of the current lockdown measures.

What top tips do you have for other enterprise advisers?

Unfortunately none at this time.
