

## LEP VACANCY

### Finance & Audit Committee

The Greater Lincolnshire Local Enterprise Partnership has a vacancy on its Finance & Audit Committee.

The LEP is seeking a finance professional to support the committee in scrutinising its important work at this challenging time. The successful candidate will already be working in the banking, legal or accounting sector or will have a track record in a professional financial role.

The Greater Lincolnshire LEP works with businesses, education and local authority partners to drive economic growth. We secure public and private investment to deliver a range of programmes and initiatives with partners to improve infrastructure, skills and business support and are known for our strong sectors in food, manufacturing, renewables, visitor economy, and ports and logistics.

The purpose of the Finance and Audit Committee is to assist the LEP Board in ensuring that the company maintains satisfactory systems of financial and operational control, and that any published financial reports comply with statutory requirements.

The successful candidate will attend meetings of the Finance & Audit Committee and assist and advise the LEP Board in financial matters.

We particularly welcome applications from female candidates and candidates from diverse backgrounds.

This role is voluntary and will involve attending three to four meetings per year.
