

Building on the success of our 2014
flagship event you are invited to the

GREATER LINCOLNSHIRE MANUFACTURING CONFERENCE 2016

Growing Your Supply Chain

8.30 am
to 2pm

Thursday
10 March
2016

Gainsborough Golf Club,
Lincolnshire DN21 1PZ

2.30 - 4pm site tours PING / EMINOX (optional)

Co-hosted and delivered by NatWest and Lincolnshire County Council, we will be providing businesses in Greater Lincolnshire with opportunities to hear about the size and scale of supply chain opportunities available, how to compete for contracts and routes to market. In addition we will also consider future labour resource and local skill supply, plus provide the opportunity to share best practices, network and make new business contacts.

The event will feature presentations from leading industry speakers, supply chain opportunities, local skills presentations, exhibitors, Made in Greater Lincolnshire Awards launch, networking and a complementary buffet lunch.

Places are limited and booking is essential.

To register your place or for further information please [CLICK HERE](#) or contact us on the email address below.

Upon booking please state if you would like to join one of the factory tours. In order to facilitate greater networking opportunities please can you provide your contact details and 200 words about your business/ product offers to assist with the development of local supply chain. This will be shared on the day.

GAINSBOROUGH GOLF CLUB

Offering two 18 hole golf courses and excellent value for money membership packages, Gainsborough Golf Club also offers exceptional views across both courses and the Lincolnshire countryside beyond, making it an ideal venue for weddings, special occasions, parties or events catering for up to 200 guests or delegates.

PING

PING is a family-owned company founded in 1959 in the garage of Karsten Solheim. Karsten's frustration with his putting inspired him to design a putter, which made a "pinging" sound when striking a golf ball. Today, PING is synonymous with innovation, quality and service in the world of golf.

EMINOX

Eminox is a privately-owned company, established in 1978, with head office and manufacturing facilities in Lincolnshire. They are a leading European designer and manufacturer of exhaust after treatment systems for heavy duty diesel vehicles and equipment. Their manufacturing capability has been designed for flexibility, combined with rapid prototyping and quick turn-around. Eminox have made significant investments in advanced cell manufacturing capability, focused on zero-defects and cost efficient manufacturing.
