

# RDPE LEADER Funding in Greater Lincolnshire

LEADER is one of the delivery methods being used to distribute funds from the Rural Development Programme for England (RDPE). Grants are available to businesses, farmers, foresters, land managers and communities for projects that create jobs and growth and benefit the rural economy.

Funding is distributed through Local Action Groups (LAGs) made up of people from the local community and the local public and private sector. There are five LAGs in Greater Lincolnshire.

NB. Areas classed as 'urban' (shaded grey) are not eligible for LEADER Funding
