

.WATER MANAGEMENT PLAN PROJECTS UPDATE

Scheme	Theme	Timetable	Value	Partner Organisations	Status
Wrangle Wash Banks Flood Scheme	Flood Risk Reduction	Short Term	£1.5m	Witham 4 th IDB, EA, LLFA, Local Landowners	Commenced
Haven Banks (Boston) Flood Scheme	Flood Risk Reduction	Short Term	£3.0m	LLFA, EA, Witham 4 th IDB	Commenced
Killingholme Marshes Drainage Improvements	Flood Risk Reduction	Short Term	£6,510,422	NLC, Able UK, North East Lindsey Drainage Board	Commenced
A1077 Highway Improvements & Flood Alleviation – South Ferriby (Phase 1)	Flood Risk Reduction	Short Term	£8,024,000	NELC, EA	Commenced
East Halton Flood Defence Scheme	Flood Risk Reduction	Short Term	£13m	NLC, Able UK, EA	Commenced
Lincolnshire Lakes Blue & Green Infrastructure	Flood Risk Reduction	Short Term	£5,724,401	NLC	
Immingham Docks (Phase 1) – replacement lock gates	Flood Risk Reduction	Short Term	£4.5m		Commenced
Terminal groyne improvements – Cleethorpes	Flood Risk Reduction	Short Term	£750,000		
Keadby Terminal Assisted Outfall (Keadby Pumping Station)	Flood Risk Reduction	Short Term	£7m initially	EA, NLC, Isle of Axholme IDB (main lead), plus other stakeholders	
Port of Immingham Sea Defence Improvements	Flood Risk Reduction	Short Term			
Black Sluice R&D (future Integrated Water Management)	Education, Research & Training	Short Term		AW, BSIDC, GLLEP, LCC, LWT, NE, EA, Fens Waterway Partnership, NFU	Commenced
Riseholme Farm Demonstration Centre – Soil and Water	Education, Research & Training	Short Term		University of Lincoln, EA, Industry Stakeholders	Imminent
Awareness raising and Innovation Programme	Education, Research & Training	Short Term		WRE & multiple stakeholders through various initiatives	Ongoing
PhD Project on Agricultural Drainage	Education, Research & Training	Short Term		University of Lincoln, EA, Industry Stakeholders	Imminent
Evaluating the impacts of Coastal Flooding on farmland & adaptation approaches	Education, Research & Training	Short Term		University of Lincoln, Industry Stakeholders	Commenced
Cluster Farms (Landscape Management approach, including water)	Water Provision for Growth	Short Term		Natural England
